*The Pastor  
Jots it Down*

As I write this I am sitting in the retreat center in Stoneville, NC with our Diocesan Seminarians - all 21 of them!

It is great to see these men, from the newest applicants to the one who will be ordained deacon this Saturday, rejoicing in their voca-

tion. They are of varied ages 20-40 and they all seem to be filled with the love of God and the desire to serve God in East Carolina. We need to pray hard that God bless these men and that they persevere in their vocations.

Congratulations to our 8th Grade Graduates of St. Paul School, they have been a good class and we are very proud of them all. Congratulations also to the graduates of our various local high schools. We congratulate all of you and wish you every success as you continue on your life's journey.

Love and Blessings,  
Monsignor Lewis

**BAPTISM PREPARATION CLASS**

A Baptism Preparation Class will be held at St. Paul's on Sunday, June 27th from 2:00 - 4:00 PM in the Family Life Center, Room 2. This class is for all first time parents and expectant parents requesting baptism for their child. Our diocese requires all new parents to participate in a preparation class to reaffirm their understanding of this special sacrament of initiation. This class is also designed to give parents and godparents a greater understanding of the role each plays in their child's spiritual life. If you would like more information or to register for the class, please call the church office during business hours at 638-1984.

**WHEN DID WE SEE YOU  
HUNGRY, LORD!**

You say we can't end world hunger? What about New Bern hunger? We may not always recognize poverty or hunger when we see it. Often the way someone is dressed or what they appear to own, may hide the truth. Please bring healthy non-perishable food items **this weekend June 5th & 6th** to all Masses for distribution to our brothers and sisters experiencing hunger. Non-perishable food items may be left at all of the church exits. Baskets have been placed at the exits for monetary donations. Thank you for your kindness and generosity to those most in need.

**JUSTICE CORNER**

Regardless of their legal status, migrants, like all persons, possess inherent human dignity that should be respected. Often they are subject to punitive laws and harsh treatment from enforcement officers from both receiving and transit countries. Government policies that respect the basic human rights of the undocumented are necessary.
